NOTICE TO THE PUBLIC. IN THE YEAR 1846, THE WRITER EMPARKED IN THE DRUG BUSINESS IN THE CITY OF PHILADELPHIA, and while thus engaged, made several experiments in regard to the most desirable mode of preparing Fluid Extracts. My efforts being successful—the articles being applied and used by the Medical Faculty—I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or the popularity of my articles was such that I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or the popularity of my articles was such that I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or the popularity of my articles was such that I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or the popularity of my articles was such that I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or the popularity of my articles was such that I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or the popularity of my articles was such that I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of many against using advertised Medicines or the popularity of my articles was such that I was desirous of placing them before the public, and I was for some time before concluding to resort to newspaper advertising, knowing of the prejudices that existed in the minds of
